THE MISSOURIANS' WAITING POLICY.

BY TELEGRAPH TO THE POST-DISPATCH.

WASHINGTON, D. C., July 23.—It is learned

that the objections of a number of Thomas

Ferguson's enemies have been withdrawn

and that gentleman now has clear sailing.

It would have made no difference had the

charges remained as they acted rather an in-

crease than a decrease.

The charges were withdrawn in the past

two days. Representative Neildingsham,

is said, will be here in a few days and will

call upon the Missouri authorities to

see that the man is not released.

## THE RADICALS AROUSED.

A LONG, HOT DEBATE CERTAIN ON THE  
ROYAL GRANTS.

The Bill embodying the Committee's Report to Be Contested at Every Stage—Farnell's Examination Before the Commission of Inquiry—Information About the Trust Fund Account Refused—For-eign News.

Special Cablegram to the Post-Dispatch.

LONDON, July 23.—The committee's decision on the royal grants pleased nobody and a long, hot debate will ensue. The Radicals are encouraged to support John Morley, who voted with them. The Queen has been very well content with the bill embodying the decision at every stage. Two points are specially objectionable. First, the Queen's intimation that she does not intend to press for grants for grandchildren except in the case of the Prince of Wales' children, but nothing final or binding is said in the report. The Radicals, who consider the enormous wealth of the Queen, will insist on something definite on this point. Since Prince Albert's death she has received nearly three quarters of a million of unearned income from the Duke of Lancaster alone. Who could be more fit to receive the grants made to the Prince of Wales as trustee for his children instead of to the children directly. The Radicals have never been much embarrassed already. This arrangement may lead to further applications to Parliament.

THE WESTERN AUSTRALIA BILL.

The Government withdraws the Western Australia bill which will be renewed at another, but might be introduced on the crown lands. The country will not stand acenting plantations or handfuls of squatters on lands nearly as big as Europe.

Editor, *Pall Mall Gazette*.

The Farnell Inquiry.

LONDON, July 23.—Mr. Farnell to-day again appeared before the special commission appointed to examine the *Tories'* charges against Parasite members of the House of Commons. He denied that any letters had passed between himself and Mr. Harris had been withheld from the court. The letters had been given to him by the solicitor of the Times.

Evicting Idle Miners.

SPRING VALLEY, Ill., July 23.—Last night about one hundred eviction notices were served by the Spring Valley Coal Co. on the miners, but they did not know on the crown lands. The country will not stand acenting plantations or handfuls of squatters on lands nearly as big as Europe.

The Farnell Inquiry.

ATTORNEY-GENERAL Webster intimated that it was his intention to call every witness necessary to trace the missing books of the Land League, continuing his talk with Mr. Farnell and his counsel, Mr. L. P. Farnell, of counsel for the Parasites, to subpoena Mr. MacLennan, Treasurer of the Ladies' League to produce the books of the League in his possession. He could not say what amount of the League money Mr. Eggen had other trust than to give him \$100,000, \$200,000 or \$150,000.

ATTORNEY-GENERAL Webster: "But you, a man of business?"

Mr. Farnell: "I am not a man of business. I never was. In October, 1882, Mr. Eggen sent me accounts of the relief fund showing expenditures of \$50,000 and a balance of \$31,500."

DECLINES TO ANSWER.

Mr. Farnell: "I have not taken any steps to discover documents relating to the Ladies' Land League, nor would he. Mr. Eggen went from America through Mr. Farnell, who gave him information, to the agents of counsel for the Parasites, to subpoena Mr. MacLennan, Treasurer of the Ladies' League to produce the books of the League in his possession. He could not say what amount of the League money Mr. Eggen had other trust than to give him \$100,000, \$200,000 or \$150,000."

ATTORNEY-GENERAL Webster.

President Justice Hansen then asked witness if he had ever seen Mr. Munro & Co., the Paris bankers, to produce an account of the trust fund?

Mr. Farnell responded: "I decline to give any information concerning the fund to friend or foe."

France.

PARIS, July 23.—The *Republique Francaise* says that the Committee of the Senate Court is about to issue an order depriving Gen. Bonaparte of his political rights. This decision will be argued Thursday.

THE W. C. T. U.

Close of the Interstate Conference at Mount Lake Park.

MOUNTAIN LAKE, Md., July 23.—The W. C. T. U. Interstate Conference closed its five-days session yesterday. The day was given to reports, election of officers and other conference business. The resolutions are very stalwart. They declare for abstinence and prohibition, denounce all license as criminal and those who favor licensed parties or partakers of beer. They demand one standard of morals for men and women, declare it worse than treason to withhold the truth from the virtuous and intelligent woman of the world and link it with the vice and ignorance of the saloon for home destruction; bid God speed to the day that saloons shall cease to exist and bear their banner, "God and Home and Native Land," while the saloon is still in existence.

BERNY, July 23.—The subscription to the Swiss army loan amounts to more than the sum which it was proposed by the Government to raise.

WILL NOT RENEW THE TREATY.

BERLIN, July 23.—Germany has notified Switzerland that the treaty between the two countries regulating the movement of foreigners in Switzerland will not be renewed. The treaty will, therefore, expire at the end of 1890.

Egypt.

LODGE, July 23.—Gen. Grenfell, the British commander in Egypt, reports to the War Office that he intends to make a general advance against the Dervishes at the end of the present month, at which time the British reinforcements will have arrived and arrangements will be complete for the movements.

The Dominion.

OTTAWA, Ont., July 23.—The Government has had under consideration a petition of the solicitors of the owner of the United States fishing vessel *Mattie Winship*, recently seized at Sydney, C. B., for illegal fishing, praying that the vessel be released and the Governor-General has approved the recommendation of the Minister of Fisheries that payment of \$2,000 to the crown and a further sum sufficient to cover all legal and other expenses incurred in the prosecution of the *Mattie Winship* up to the date of her being handed over to the owner or his agent, that she be released and all proceedings in the Court of the Vice-Admiralty be discontinued.

THE NEW YORK CHAMBER.

TORONTO, Ont., July 23.—The New York Central Railroad has, it is said, secured the right to run over the Toronto, Buffalo & Niagara Falls line, so that it will be built between Niagara Falls and Toronto.

THE MANITOBA CHAMBERS.

Reports on the condition of crops in Manitoba are published. The reports are satisfactory. In Manitoba the wheat will be an average crop, barley a two-thirds crop, and oats a good crop. The corn is not all that could be desired but there are good grounds for the希望 that the crop will be circumstanced. Reports from points in Ontario are generally satisfactory. Fall wheat will be a good crop in the low lands, where serious injury was done by the rains. Barley promises a good yield and oats a fair crop. The root crop seems to promise well. The potato crop in the districts north of the Red River is wanted. The corn crop seems to be a failure, while the hay crop is heavy and well saved.

STRICTLY PRIVATE.

The Wedding of Mrs. Harriet Atwood Aymer and Bishop Seymour.

NEW YORK, July 23.—Old Trinity Church was the scene of a quiet wedding which took place at 10 o'clock this morning. The contracting parties were Mrs. Harriet Atwood Aymer of Trinity City and Bishop George Franklin Seymour of Springfield, Conn. The Rev. Dr. Potter, assisted by Dr. Dix, tied the nuptial knot. While before the altar the bride stood beside her white-haired spouse attired in traveling costume, with hat and gloves on. The wedding was strictly private.

LITTLE ROCK, Ark., July 23.—In the Boone County Circuit Court Thos. Holcomb pleaded guilty to the charge of bigamy and was sentenced to three years in the penitentiary. Holcomb recently married a young girl near El Dorado and is devolved he had a wife in Benton County.

LABOR NEWS.

Duluth Coal Heavers Go Out—Smelters Strike at Collinville.

To Telegraph to the Post-Dispatch.

PATERSON, N. J., July 23.—The strike of the silk throwing hands in this city continues in the mills of the commission though the strikers have not yet spread to the mills of the general manufacturers. Yesterday the ranks of the strikers were considerably augmented in numbers by their being joined by the 125 hands of McKay & Ramson. They are the last to go on strike and it is estimated that there are 700 men now out. The only throwing hands in commission are those of the mills of Harkness & Conant and Harkness & Hensley. The firms have made no reduction. The strikers have made two unsuccessful attempts to hold a meeting. There is no doubt that the strike will result in a failure, as there is no organization whatever among this branch of the silk industry. The silk throwing hands are the only ones who have had a vacation of the week, after the strikers have had a vacation. They will be ready to go back to work.

Duluth Coal Heavers Strike.

LITTLE ROCK, Minn., July 23.—All the coal heavers on the Duluth docks struck yesterday, joining those at West Superior in their demands for an increase from 40 to 50 cents an hour. The Northwestern Fuel Co. got another crew to work on one of its docks when they worked all day at the other. The Picayune Fuel Co. succumbed to the demands of their men, and they returned to work. There are seven boats here for the Northwest and two at the Old docks, but these companies will hold out if possible.

**JOHNNY MURPHY DEAD.**  
THE NOTED HANDLER OF TROTTING HORSES  
EXPIRES AT NEW YORK

A Victory Scored by the Browns at Columbus—Boston, New York, Cleveland and Chicago Defeated in the League—Hearing at Brighton Beach and the West Side Track, Chicago—General Sporting News.

By Telegraph to the POST-DISPATCH.

NEW YORK, July 23.

ONEST John Murphy, famous as a rider, driver and trainer of trotting horses, died yesterday morning at Howe's Hotel, Coney Island Boulevard, after an illness of several weeks. He was born in Ireland in 1844, but came to America when he was 6 years of age. As a lad he frequented the Bull's Head Tavern premises, being attracted thither by his natural love for horses. He was so persistent in following the horses that were always to be found there that he attracted the notice of horsemen. One of these, Simon Brown of Flushing, took the boy into his employ. Subsequently Murphy was in the employ of George Nelson, the brother-in-law of the wooden-boat builder, and Hiram Wadsworth, the man who made and had a strong liking for Murphy, and taught him how to ride trotting horses, a business in which the boy became expert. It was Murphy who rode Dexter when that famous trotter beat Stonewall Jackson at three-mile heats over the Fashion Course, on June 26, 1865. Not only rode the winner on that day, but assisted in the preparation of Dexter for the race. Dan Mace was the rider of Stonewall Jackson, and the victory was a great triumph for young Murphy. That same year, the second of Dexter's career on the turf, the brown gelding was matched against time to trot 2:19. It was at the Fashion Course, on October 10, and Murphy was again the rider. His record was brilliant. After that he was a winner, in 1868, beating Flora Temple's record for a mile. At that time Murphy was more noted for his riding than his driving, and was classed with such experts as Dan Mace, James Goff and Dab Dohle. Afterward, when the fashion of riding trotting horses declined, Murphy became noted for driving both single and double teams. He drove Haras over Mr. Bonner's three-quarters of a mile track in 2:11½; he handled Edw. Forrest with consummate skill and he drove Frank Work's double team, Edward and Dick Swiveller, in 2:16¾ against time at Fleetwood Park, making the time at the first and at the third without having ever stopped. For many years he was the best driver in the country, and was a great favorite with Robert Bonner, who employed him to train horses for him. Murphy's record was almost ever since the incomparable Maud S. came into Mr. Bonner's possession she has beaten him.

John Murphy was highly esteemed by all who knew him. He leaves a widow and a son of eighteen. His wife was a widow, surviving from a cold contract while visiting his brother-in-law, Hiram Howe, on Coney Island Boulevard.

BROWN'S CHAMPIONSHIP RACE.

The Browns won the game at Columbus yesterday by a score of 3 to 1. DALEYS CHAMPS.

If the New York had won yesterday they would be tied with Boston for first place in the league championship race.

Yesterday the game, conclusively that the Browns can defeat the Columbians, "and ought to be thankful for that."

The Columbians only won three games on their eastern trip and Dibby Bell wins \$100 for the last race and the game helped Dibby win his money.

Wilmett has a record this season of twenty consecutive games without an error. From the fifth game to his thirty-sixth game he had but one error.

It looks very much now as if the New York would pass Boston in the early season, as the Columbians are winning string races and the Bean-Eaters are doing very poorly.

Short Stop McLean has been suspended by Manager Loftus. McLean was laid off for a week, and then given a chance to earn his money.
